

Datenblatt für Artikel: LI1000337-

# SQUARE CEILING, E27, alu brushed, 20W, IP44

Outdoor Ceiling luminaire

## Technische Daten

|                          |                          |
|--------------------------|--------------------------|
| Net length (mm)          | 130,00                   |
| Net width (mm)           | 130,00                   |
| Net height (mm)          | 225,00                   |
| Net weight (kg)          | 1,39                     |
| Mounting                 | surface mounting ceiling |
| Colour                   | Stainless steel          |
| Material                 | Stainless steel 304      |
| Manufacturer             | O3-SLV                   |
| Operating voltage AC (V) | 230                      |
| Lamp holder              | E27                      |
| Socket                   | E27                      |
| Protection class         | II                       |
| IP Rating                | IP44                     |
| Energy efficiency class  | A++   A+   A             |
| Illuminant incl.         | no                       |
| LxWxH mm                 | 130x130x225              |
