# REVILO LED Wall and Ceiling luminaire, black, 2700K, 36°

## Technische Daten

|                             |                                                   |
|-----------------------------|---------------------------------------------------|
| Net length (mm)             | 115,00                                            |
| Net height (mm)             | 130,00                                            |
| Net diameter (mm)           | 50,00                                             |
| Net weight (kg)             | 0,36                                              |
| Mounting                    | surface mounting ceiling<br>surface mounting wall |
| Colour                      | Black                                             |
| Material                    | Steel<br>Aluminum                                 |
| Manufacturer                | 03-SLV                                            |
| Operating voltage AC (V)    | 100-240                                           |
| Operation current mA (mA)   | 500                                               |
| Watt (W)                    | 9,5                                               |
| System efficiency (lm/W)    | 65                                                |
| Colour temperature (K)      | 2700                                              |
| Colour rendering index (Ra) | 80                                                |
| Luminous flux (lm)          | 620                                               |
| Protection class            | I                                                 |

## Technische Daten - Fortsetzung

|                         |              |
|-------------------------|--------------|
| Energy efficiency class | A++   A+   A |
| Illuminant incl.        | yes          |
| Diameter (mm)           | 50           |
| ØxH mm                  | 50x130       |
