## STRUCTEC LED

# 24W,round,silvergrey,4000K,60°,incl. 3P-Adapter

for 3 Phase High-voltage Tracksystem

### Technische Daten

|                             |                                                   |
|-----------------------------|---------------------------------------------------|
| Net length (mm)             | 180,00                                            |
| Net height (mm)             | 165,00                                            |
| Net diameter (mm)           | 90,00                                             |
| Mounting                    | surface mounting ceiling<br>surface mounting wall |
| Colour                      | Silver                                            |
| Material                    | Aluminum                                          |
| Manufacturer                | 03-SLV                                            |
| Operating voltage AC (V)    | 220-240                                           |
| Lamp holder                 | LED Platine                                       |
| Watt (W)                    | 30                                                |
| System efficiency (lm/W)    | 93                                                |
| Colour temperature (K)      | 4000                                              |
| Colour rendering index (Ra) | 90                                                |
| Luminous flux (lm)          | 2800                                              |

## Technische Daten - Fortsetzung

|                         |              |
|-------------------------|--------------|
| Live time               | 30.000h      |
| Protection class        | I            |
| Energy efficiency class | A++   A+   A |
| Illuminant incl.        | yes          |
| Diameter (mm)           | 90           |
| ØxH mm                  | 90x165       |
