# LED Driver DALI & drukknop 350-900mA

## 12-24VDC 10-20W **ECONOMY**

LED Driver push dim DALI instelbaar

### Technische Daten

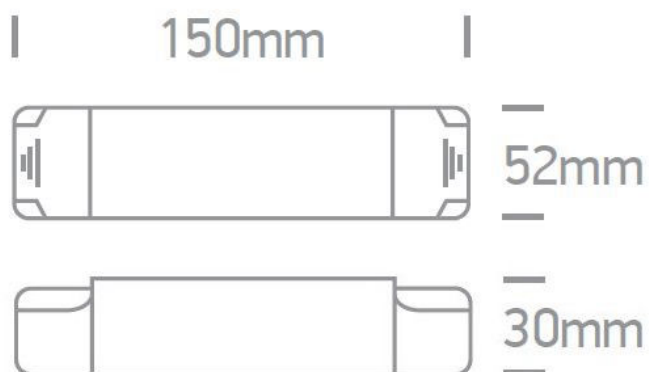

|                                  |            |
|----------------------------------|------------|
| Leverancier                      | One Light  |
| Dimbaar                          | Ja         |
| Beschermingsklasse               | II         |
| Beschermingsgraad                | IP20       |
| Vermogen (W)                     | 10-20      |
| Voedingen                        | LED Driver |
| Ingangsspanning AC (V)           | 230        |
| Nominale uitgangsspanning AC (V) | 12-24      |
| Uitgangsstroom (A)               | 0,35-0,9   |
| Afwerking                        | Wit        |
| Lengte (mm)                      | 150        |
| Breedte (mm)                     | 52         |
| Hoogte (mm)                      | 30         |
| LxBxH (mm)                       | 150x52x30  |

## Technische Daten - Fortsetzung

Vermogen (W)

10-20

### Maattekening: LED Driver DALI & drukknop 350-900mA 12-24VDC 10-20W
