# KARO LED 18W, 4000K, 1700lm, Opal, PMMA, IP44

## Light distribution curve

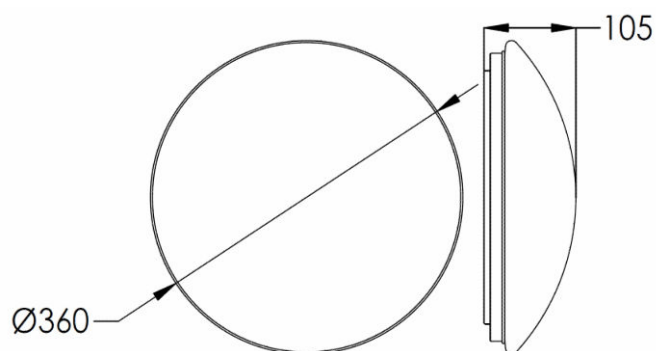

## Technische Daten

|                          |                                                   |
|--------------------------|---------------------------------------------------|
| Net height (mm)          | 105,00                                            |
| Net diameter (mm)        | 360,00                                            |
| Net weight (kg)          | 0,69                                              |
| Mounting                 | surface mounting ceiling<br>surface mounting wall |
| Colour                   | White                                             |
| Material                 | PMMA<br>sheetsteel                                |
| Manufacturer             | O2-Schrack                                        |
| Controller               | LED driver                                        |
| Operating voltage AC (V) | 220-240                                           |
| Light source             | LED                                               |

## Technische Daten - Fortsetzung

|                             |               |
|-----------------------------|---------------|
| Lamp holder                 | LED Platine   |
| Watt (W)                    | 18            |
| System efficiency (lm/W)    | 94            |
| Light colour                | neutral white |
| Colour temperature (K)      | 4000          |
| Colour rendering index (Ra) | 80            |
| Luminous flux (lm)          | 1700          |
| Live time                   | 40000         |
| Dimmable                    | no            |
| Protection class            | I             |
| IP Rating                   | IP44          |
| Illuminant incl.            | yes           |
| ØxH mm                      | 360x105       |
